

Protect Your Biggest Business Investments

**You Worked Hard to Build Your Business
and Your Intellectual Property.**

Protect it With:

a UTILITY PATENT if:

1. You've come up with a new, better way to make your products or offer your services
2. You don't want others to copy your new product or to sell similar products
3. You want to protect how your invention is made or how it works

a DESIGN PATENT if:

1. You love the way your new product looks
2. You want to prevent others from selling similar looking products

Your IP Needs

a TRADEMARK if:

1. You have or are starting your own business
2. You are launching a new line of products or offering new services
3. You want to prevent your competitors from using your slogans or logos

BUSINESS LEGAL SERVICES if:

1. You are starting a new company
2. You are taking on investors for a new or existing venture
3. You need to separate personal or business assets from business liabilities
